

# Community Support

West Valley Little League is a community program that gives our kids an opportunity to both play the game of baseball and learn the values of teamwork and self accomplishment. Our league has enjoyed tremendous player, parent and sponsor participation since our first season in 2008.

Through community support we were able to purchase fencing, build two dugouts, install four electronic scoreboards, power to all four fields, and add a parking lot.

Our facilities are a work in progress and with your support we can make West Valley Little League a proud tradition to be celebrated for many years to come. The items to the right are the most urgent needs for the fields.

- Bleachers (4 sets)
- Storage Shed
- Break-away bases
- Temporary Pitching Mounds
- Restrooms/Concession Stand

Your generous contribution is tax deductible.

Thank You,

Breann Speer  
Community Support Director
